# SCHOOL CANTEEN

## Features of the service

The service is aimed to ensure the daily meal for the students and the teaching staff, promoting the participation of school activities for the whole day and contributing to the actual implementation of the right to study. It is proposed to provide elements of food education and diets studied in conformity with the guidelines of the Lombardy Region.

## Menu'

The summer and winter menus are validated by ATS Val Padana-Nutrition field through specific modules. It can be requested personalised diets for ethical and religious reasons or for food allergies and intolerances. In this second case it is necessary to attach to the application an original medical certificate.

## Who is the service for?

All the students attending nursery school, primary and middle school.

## Application Form

It is required an annual registration through the website available by the Municipality of Casalmaggiore: <http://www.ilportaledellaristorazione.it/casalmaggiore> from January to July.

## How much does it cost?

The cost of the meal depends on the school attended:

€ 4,00 Infancy School

€ 4,40 Primary School

€ 4,80 Secondary School

Reductions are provided: to take advantage of them it is essential upon registration to fill the appropriate request attached to a valid ISEE-Certification. The documents must be submitted at CSC or through the following email: [protocollo@comune.casalmaggiore.cr.it](mailto:protocollo@comune.casalmaggiore.cr.it)

Whoever won't show the ISEE-Certificate, will pay the maximum price.

## Meal service:

For the students who attend the Diotti secondary school, according to the experiment formula of 5 days a week who are users of the canteen (Wednesdays and Fridays). The Municipality of Casalmaggiore offers an assistance service of the meal: qualified operators and educators supervise the students during the lunch from 1 PM to 2 PM, period excluded from the school hours. To access the service is required an annual registration through the specific form and the payment of 150€. The requests and the proof of payment must be presented at CSC or via the following email: [protocollo@comune.casalmaggiore.cr.it](mailto:protocollo@comune.casalmaggiore.cr.it).

## Methods of payment:

Meals must be paid in advance at charging points in the territory, via web, through PSP with payment notifications generated by the APP, at CSC or with credits cards.

Upon booking the meal, the system will generate an automatic charge for each user according to his tariff.

Families could have under control the situation of their meals through the App SPAZIOSCUOLA or PORTALE GENITORI and they will receive a message when credit is about to end.

Payments can be certified to tax deductions.

# SCHOOL TRANSPORT

## Features of the service

School buses of Casalmaggiore are available for taking students to all schools in the city and fractions, with round-trips. The service promotes the right to study simplifying the access and the attendance of the school activities. It operates daily with different schools points and hours as prepared before the starting of the academic year. They could have variations in case of the opening or closing public road or necessities independent from the Municipal Administration.

## Who is the service for?

To students who frequent the schools of the city.

## Application Form

The request and the proof of the payment must be presented at CSC or via mail [protocollo@comune.casalmaggiore.cr.it](mailto:protocollo@comune.casalmaggiore.cr.it). The requests will be accepted until capacity is reached.

## Methods of payment:

Money order or bank transfer.

## How much does it cost?

To use the transport service is required an annual registration, through the compilation of the specific form and the payment of the fee, which changes depending on the school attended.

€ 150,00 Infancy school

€ 150,00 Primary school

€ 200,00 Secondary school (€ 100,00 if only one way or return)

# PRE-SCHOOL

## Features of the service

For families in which parents for work reasons are unable to bring their children to school within the starting hour of the lessons, The Municipality of Casalmaggiore provides a pre-school service to ensure the welcoming and vigilance of the children until their taking charge by the teachers.

## Who is the service for?

For infant and Primary schools students of the main town.

## Application form

Parents have to contact the CSC or the office of school service to register their children.

## How much does it cost?

The service costs €150,00 for the whole school year.

# WALKING SCHOOL BUS

## Features of the service

The municipality of Casalmaggiore organises and coordinates the service of walking school bus, implemented thanks to the volunteers. There are 2 lines: that start from Piazza Garibaldi and from via Martelli which cross different stops at hours as established before the beginning of the school year.

The advantages to reach out the school by foot:

- To promote physical health, independence and autonomy of the children
- To promote knowledge of the city, the respect for others and socialization
- To spread the attention to the correct use of the road
- To reduce car use and traffic.

It also involves and enhances the social fabric of volunteering

## How much does it cost?

The service is free.

## Who is the service for?

To the students who live in the main city and attends full-time Marconi Primary school.

## Application Form

The application form can be presented at CSC between August and September.

## Where?

There are 2 lines: From Piazza Garibaldi and Via Martelli round-trips.

From Monday to Friday for about 45 registered students.

The service involves volunteers and trainees of the Dote Comune project and Civil Service.
